Fat Solutions for Plant-Based Meat

Excellent Traceability

- ✔ To a very limited number of mills, both for our palm and coconut based fats for meat substitutes
- ✔ Shea from our factory in Techiman, Ghana

Clean

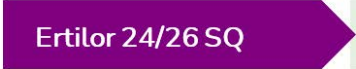

- ✔ Low contaminant levels
- ✔ Non-hydrogenated, and hence trans-fat-free

Performant

- ✔ Supporting firm bite & juicy mouthfeel
- ✔ Visually attractive fat pieces in the raw hamburger alternative, similar to that of typical hamburger meat

Our Range

		 SAFA	 TFA
	Botanical Origin	Saturated FA (%)	Trans-free
